TO:

ALL EXECUTIVE COUNCIL MEMBERS AND TUR'S: TRANSNET

WAGE NEGOTIATIONS: 2015/2016

Kindly note that the Wage Negotiations for 2015/2016 will start on 11 & 12 March 2015 at the Transnet Bargaining Council (TBC), whilst 25 & 26 March 2015 have also been set aside for the Wage Negotiations.

Members will be fully kept informed as the process unfolds. The earlier dates (2 & 3 March 2015) that were set aside for Wage Negotiations were postponed on request from SATAWU for reasons of their own.

Members are seriously reminded to refrain from listening to unbecoming rumours that are doing the rounds that United National Transport Union (UNTU) has already agreed to a "Wage Settlement".

THIS is TOTALLY UNTRUE and UNFOUNDED, and probably a ploy to discredit United National Transport Union (UNTU), because of blatant jealousy of all our successes and sterling service to our members where we are now growing in leaps and bounds.

Members are given the assurance that United National Transport Union (UNTU), will as in the past, pull out all stops to obtain the best possible deal and benefits for the members that are our most precious asset.

UNTU greetings,

**LF Brockett
