TRAIN MOVEMENT AGREEMENT

Recently several meetings have been held between UTATU SARWHU and TFR Management regarding the progression of the Movement Agreement.

UTATU SARWHU have been very upfront by contesting that our members have been prejudiced by Management who have not honoured the addendum to the initial agreement, that resulted in learning material not being available for members to progress beyond the 50th percentile in especially the C category.

During a meeting of the parties on 26 October 2012 it was agreed that Task Teams (x2) will be visiting the following depots to ascertain the position in these depots as well as the reasons that has given rise to this unacceptable situation:

1. 8 November `12 - Pyramid South - John Pereira and Dan Khumalo and members from Management.
2. 9 November `12 – Thabazimbi - John Pereira and Dan Khumalo and members from Management.
3. 12 November `12 – Warrenton - Louis Brockett and Enock Diteho and members from Management.
4. 12 November `12 – Ogies - John Pereira and Jannie Breytenbach and members from Management.
5. 13 November `12 – Welgedacht - John Pereira and Jannie Breytenbach and members from Management.
6. 15 November `12 – Danskraal - Louis Brockett and Tiekie de Jager and members from Management.
7. 15 November `12 – Kaserne - John Pereira and Scott de Koker and Members from Management.
8. 16 November `12 – Newcastle - Louis Brockett and Tiekie de Jager and members from Management.

Local Management at the different depots have been instructed to ensure that the local TUR are released from normal duties to be present when their respective depots are visited.

Members will be kept abreast of any all developments in this regard.
